Omnibus Motion  
[LFB Papers #142-148]

Motion:

Move to adopt the following alternatives, or to amend the bill as follows:

1. *Agrichemical Funds Transfers [Paper #142]*. Adopt Alternative #1. This would adopt the Governor's recommended transfers of: (a) \$500,000 in 2009-10 and \$1,000,000 in 2010-11 from the segregated agrichemical management (ACM) fund; and (b) \$500,000 in 2009-10 and in 2010-11 from the segregated agricultural chemical cleanup program (ACCP) fund.

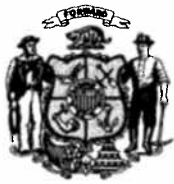

2. *Animal Slaughter Fee and Meat Safety Inspections [Paper #143]*. Adopt Alternative #5b, which would convert \$230,000 PR 2009-10 and \$310,000 PR in 2010-11 with 4.0 positions for animal health inspectors or compliance specialists to ACCP SEG. Create a new appropriation from the segregated ACCP fund for animal health inspections and testing and for enforcement of animal health laws. Additionally, adopt the parts of Alternative #7 to: (a) delete \$310,900 PR and \$184,000 FED in 2009-10 for meat inspections; (b) delete the creation of a fee for each animal slaughtered in establishments in the state. However, specify that DATCP collect a fee for inspections of meat slaughtering and processing establishments as set by administrative rule beginning no sooner than July 1, 2010. Require DATCP to establish the nature and amount of the fee in consultation with representatives of industries and groups affected by the fee.

3. *Consumer Protection Reductions [Paper #144]*. Adopt Alternative #6. This would adopt the Governor's recommended funding and 10.0 GPR position reduction to the consumer protection program, but restore \$285,200 annually and 4.2 general consumer protection positions from no-call telemarketing PR. Additionally, the alternative would delete \$128,000 GPR in 2009-10.

4. *Buy Local, Buy Wisconsin Grants [Paper #145]*. Adopt Alternative #1. This would adopt the Governor's recommendation to provide \$211,400 GPR annually for the Buy Local, Buy Wisconsin grant program.

5. *Weights and Measures Fee Changes [Paper #146]*. Adopt Alternative #1. This would adopt the Governor's recommendations related to licensing requirements and fees for vehicle scales, vehicle tank meters and liquefied petroleum gas meters.

6. *Animal Health Program Changes [Paper #147]*. Adopt Alternative #1. This would adopt the Governor's recommendation for deleting mandatory inspections of fish farms upon their registration, as well as require DATCP to set fees by administrative rule for reinspection of
